

ASCLEPIOS

FREE 1.0

Welcome to ASCLEPIOS

**Your calm companion for
everyday health.**

ASCLEPIOS was created to help people care for their health with confidence, clarity, and peace of mind.

Whether you want to keep track of your health information, organize medication reminders, or monitor your progress over time, ASCLEPIOS supports you with a simple, private, and reliable experience.

Designed for everyday life, ASCLEPIOS helps you stay informed while respecting your independence and protecting your privacy.

Designed Around You

We believe health technology should always put people first.

Not complexity.

Not technology.

Not data.

You.

Our mission is to make everyday health management easier, calmer, and more understandable for everyone.

Our Core Principles

Free to Use

Access all essential features at no cost.

Privacy First

Your personal information always remains under your control.

Works Completely Offline

No Internet connection is required for everyday use.

No Wi-Fi or Mobile Data Needed

Use ASCLEPIOS wherever you are.

No Cloud Required

Your health information stays securely stored on your own device.

Designed for Calm and Confidence

A clean, friendly experience focused on clarity, reassurance, and ease of use.

Your Health. Your Data. Your Control.

ASCLEPIOS is more than a mobile application.

It is your personal health companion—designed to help you stay informed, organized, and confident every day.

Why ASCLEPIOS?

Built for you. For your everyday life.

ASCLEPIOS Free was created to make health management simple, secure, and accessible for everyone.

Your well-being is at the center—every day, in every moment, with calm and without barriers.

All benefits at a glance

Free to Use

ASCLEPIOS Free is completely free—no hidden costs.

Works Completely Offline

No Internet connection required. Use it anytime, anywhere.

No Wi-Fi or Mobile Data Needed

No dependence on networks or connections.

No Mobile Data Required

Use ASCLEPIOS even without mobile data.

No Account Required

No sign-up, no registration. No personal details.

No Cloud Required

Your data stays on your device. 100 % local.

Your Data Stays Yours

Stored locally on your device. Maximum protection for your privacy.

Developed for Calm and Trust

A peaceful companion for greater clarity and confidence in everyday life.

Who can benefit from ASCLEPIOS?

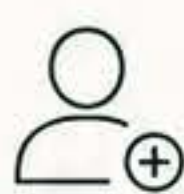

Seniors

Easy to use with large, clear text and a calm interface.

Family Members

Better understanding and support for loved ones.

People with Chronic Conditions

Monitor, track, and document developments.

Health-Conscious Individuals

For anyone who wants to live a healthier, more mindful life.

Important Note

ASCLEPIOS does not replace medical diagnosis or treatment.

If you experience acute symptoms, emergency situations, or life-threatening conditions, please contact emergency services immediately.

Your safety is always the top priority.

“

Your health. Your data. Your control.
ASCLEPIOS supports you—calm, private, and reliable.

”

Powerful features.

Everything you need for your health—
clear, simple, and secure.

ASCLEPIOS Free gives you all the essential tools to manage, organize, and improve your health—without an Internet connection and with absolute privacy on your device.

Manage your health

Health Diary

Track symptoms, habits, and daily notes.

Vital Signs

Record blood pressure, heart rate, blood sugar, oxygen, and more.

Medication Management

Organize your medications and never miss a dose.

Appointments & Schedule

Keep track of appointments, plans, and important dates.

Reports & History

View your health trends and past records at a glance.

Medical Information

Store doctors, diagnoses, allergies, vaccinations, and important details.

Insurance & Documents

Keep medical documents and insurance information in one place.

Privacy & Security

Your data stays securely stored on your device—protected at all times.

Stay informed and in control

Personal Profiles

Manage multiple users or family members in one secure app.

Children's Health

Track your children's vaccinations, growth, and medical history.

Checklists & Reminders

Use practical checklists to stay organized and on track.

Health Documents

Store important files and access them whenever you need.

Health Reminders

Set medication, hydration, movement, or appointment reminders.

Wellness & Lifestyle

Track nutrition, activity, sleep, and personal well-being.

Designed for Everyone

Large text, clean layout, and intuitive navigation for all ages.

Regular Updates

We continuously improve ASCLEPIOS to serve you better.

Simple. Secure. Reliable.

ASCLEPIOS replaces complicated systems with clarity and control. Everything you need—organized, protected, and always within reach.

“

Everything for your health. In one app. On your terms.
ASCLEPIOS puts you in control of your well-being—every day.
